APPLIANCE REVIEW LETTER

The Appliance Review Letter is an additional service we offer to assist you in planning your cases. From simple tooth movement to Comprehensive Orthodontic cases, we can offer suggestions of possible appliances that can be used during treatment. Each Letter contains the following information:

- Fixed vs Removable Options
- Appliance sequencing
- Adjustment information
- Range of treatment time
- Illustrated appliance designs
- Answers to specific questions
- Patient instructions
- Appliance cost estimates

To begin receiving an Appliance Review Letter with any type of records you send to us, simply select this option on our order form or write it on any prescription sheet you are using from us. There is an additional fee for this service.
